# NEW

ICED MATCHA PROGRAM 11:30A - 5P

---

Exciting news! We're introducing a new iced matcha program that puts the spotlight squarely on the matcha itself. Just like the rest of our menu, we're keeping it tea-first, letting the matcha's rich, nuanced flavor really shine. Think of it like a chef using ingredients to enhance what's already naturally wonderful about the tea. We can't wait for you to try it!
